

PROFESSIONAL ACCOUNTING TECHNICIAN

Apprentices will attend College on a day release basis to study AAT L4 to underpin the knowledge elements of the apprenticeship. Apprentices are required to build a portfolio of evidence during their time on the programme.

Course Overview

Each apprentice will be allocated a coach to support ongoing learning and preparation for EPA. Progress Reviews will take place regularly to ensure the apprentice is on track.

End Point Assessment

The two EPA assessment methods are:

Portfolio of Evidence

Role Simulation

[Link to Professional Registration](#)

Apprentices who achieve AAT L4 will be eligible to apply for full AAT membership
